PRESS RELEASE

PECB signs a partnership agreement with Quality Training Academy

2025-04-15 – PECB is pleased to announce that it has partnered with Quality Training Academy, to distribute PECB training courses in KSA. As part of this agreement, PECB will facilitate the distribution of PECB ISO 9001 courses through the most experienced and proficient trainers in the respective area.

"PECB has built a strong reputation for its expertise and ability to deliver ISO standard training courses internationally," said Tim Rama, CEO of PECB. "This agreement celebrates a strong partnership between Quality Training Academy and PECB. Our courses complement each other perfectly and through this partnership, people in KSA will be able to invest in their professional futures," Rama added.

Ebrahim, Consultant, Quality Training Academy

[We are very pleased to partner with PECB. They are always committed to our success and work closely with us to understand our unique challenges and needs, providing training solutions tailored to our specific requirements. Their goal is to help us build a secure digital future for the academy, protect the integrity of the academy's operations, and ensure the resilience of our operations.]

About PECB

PECB is a certification body that provides education, certification, and certificate programs for individuals on a wide range of disciplines.

We help professionals and organizations show commitment and competence by providing them with valuable education, evaluation, certification, and certificate programs against rigorous internationally recognized standards. Our mission is to provide our clients with comprehensive services that inspire trust, continual improvement, demonstrate recognition, and benefit the society as a whole. For further information about PECB's principal objectives and activities, visit <https://pecb.com/>.

Quality Training Academy

In a constantly evolving work environment that demands high-level competencies, Quality Training Academy serves as a reliable partner for organizations aiming to develop their human capital and elevate institutional performance.

We don't just offer training programs — we provide comprehensive, integrated solutions designed according to international standards and informed by a deep understanding of labor market demands and each client's unique needs.

We also provide integrated services that include:

- Professional analysis of knowledge gaps.
- Design of tailored training solutions.
- Program implementation.
- Content development aligned with the highest quality standards.

What Sets Us Apart?

- **Integrated Training Solutions:** From program design and delivery to high-quality content development.
- **Knowledge Gap Analysis:** Strategic planning to effectively develop human capital.
- **Flexible Training Modalities:** Offering face-to-face, remote (synchronous and asynchronous), collaborative, and field-based training options.
- **Diverse Expertise:** Extensive experience across fields such as safety, quality, leadership, technology, healthcare, and tourism.
- **Organizational Development Consulting:** Enhancing work efficiency and supporting long-term institutional performance.
- **Customized Training Content:** Including training packages, policies, manuals, question banks, and interactive e-learning materials.

Quality at the Core of Our Work

We are committed to applying rigorous quality assurance methodologies through continuous monitoring of training outcomes and regular updates to our processes — all in alignment with international best practices.

We don't just deliver training — we build lasting partnerships with our clients, striving for continuous improvement that enhances organizational performance and efficiency.

Choose a partner who understands your needs and helps you reach your goals with professionalism and impact.

Begin your journey with us toward a smarter, more agile, and future-ready work environment.
